Scientific Congress was entitled 'Old & New'. it is made up of 57 lectures and was held in the Conference rooms and Hall E, Auditorium at the Seoul Convention and Exhibition Center(COEX).

5. 238 Korean companies and 37 Foreign companies

SIDEX 2015 was held at COEX Exhibition Hall C,D(18,099㎡) with the most advanced dental equipment and took on a more international aspect since internationally renowned companies participated.

6. Expanding Conveniences

The Organizing Committee took care every details for the convenience of participants.

For participants with children, the Organizing Committee prepared kids play zone that was filled with best playing facilities such as ball pool, mini train and DVD room. Participants with their children could fully focus on the academic program and exhibition in the good hands of childcare professionals.

For participants who need to focus on their business, the Organizing Committee prepared business center, internet lounge and several meeting points. Especially, visitors in the business center could do all kind of office work and even hold the meeting with their clients.

For participants from around the world, the Organizing Committee installed a 'Free interpretation Service Center' at each entrance of the exhibition hall. Foreigners visiting interpretation service center could receive english, chinese and japanese language service as well as get a variety of seoul tour information.

Most of all, for all participants, the Organizing Committee made a 'SIDEX smartphone applicaion' in order to get quickly any information of SIDEX 2015 and basically offered free smartphone charging service.
